

LOGO DESIGN CONTEST

The Acton Agua Dulce Arts Council is
looking for a new logo!

AADAC invites you to submit your ideas for a new logo. Our goal is to modernize and streamline our logo, and reflect our identity as promoting all of the arts.

PRIZE: Winning submission to receive \$200

Deadline for submission is February 10, 2024

What We Do

AADAC's mission is to promote the arts in Acton and Agua Dulce, and provide venues for artists to engage with the community. This includes painting, photography, sculpture, mixed media, and performing arts, such as music and dance.

Parameters

- The design should encompass visual and performing art. All art forms should be represented.
- Plan on a color change. Artists can submit any color scheme they wish, from monochromatic to up to 5 colors.
- Must be a simple, easily reproducible design
- Must convey identity without words. For example, an outline of Vasquez Rocks could indicate the Acton and Agua Dulce area. There could be similar symbols or icons that represent this area.
- Format for submissions are physical drawings submitted in person, PNG, JPEG, or EPS files. When the winning submission is selected, we will need the original artwork.
- **No AI allowed. Entries must be entirely created by a human artist rather than Artificial Intelligence.**

Please email submissions to aadacinfo@gmail.com, or call Paula Bradley at 805-390-2445 to coordinate submission of physical artwork.
