Sip and Sing is a unique 2 hour singing journey that will help you discover your voice and build confidence, in a relaxed and enjoyable atmosphere.

No experience necessary and all voices are welcome. Must be 21 and older to participate. Sip & Sing events are designed as a group class/sing-along guided by your vocal coach, Sharon Roberts, who will sing you through the basic and most important techniques for your best singing voice. This includes vocal games and vocal exercises, rounds, many popular songs and a few oldie but goodies at every event.

You will hear and feel your voice quality improve as you sing, and take home great tips to be a better songbird! If you love to sing, but may be too shy, or just not enough time to take lessons but always wanted to, this is for you!

Take this musical journey and unleash your inner singer! Come join in on the art of singing and enjoy a glass of wine with friends at Picasso's Playmates, sponsored by The Acton Agua Dulce Arts Council.

Sharon Roberts can't wait to have you join in on this singing party! Cheers!
